**IMPORTANT
MONTHLY REMINDERS:**

**Tentative Monthly Direct Deposit
Date Range: 19th - 28th**

Due to the continued fluctuation in receiving the claim funds from NDE each month, we feel it is best to no longer give a tentative deposit date "guess" in the newsletter, but rather a date range based on historical deposit dates. However, each month, once the funds are deposited into our account, we will send a notification to everyone directly through KidKare Messaging with the specific deposit date. Should there be a deposit delay beyond the 28th any month, we will notify you ASAP through KidKare Messaging so the info is at your fingertips!

Watch KidKare Messaging for the specific deposit date once we receive it!!

- ✓ **Per USDA Regulations:** all meals and attendance must be recorded by 11:59 pm every day. **If you run into login issues, you must call and leave a message at the office or send us an email the SAME DAY of occurrence** for reimbursement consideration.
- ✓ On-line claims should always be submitted the last day of the month, after your last meal has been entered.
- ✓ All Registration Forms must be received by the end of each month. **Mail your CRF's right away when a child starts in your care** instead of waiting until the end of the month.
- ✓ Add non-school days to each school age and preschool child's calendars before the end of each month to avoid deductions.
- ✓ You must contact the office if you plan on moving or changing directors **PRIOR TO THE MOVE OR CHANGE**. If you contact licensing, you are responsible for contacting PNI as well.
- ✓ If you call the office and no one answers, please leave a detailed voice mail and your call will be returned within 24 hours. You can also email your advisor, Lara, or Carrie at anytime.
